

## College Map of Student Learning

Hope College students achieve our Common Learning Outcomes through a combination of curricular and cocurricular experiences. Student learning outcomes that they attain through their general education, their academic programs, and cocurricular programs map to our five common learning outcomes, illustrating how Hope students achieve our Common Learning Outcomes.

# Curriculum Map: Anchor Plan to Common Learning Outcomes 4/6/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Examine fundamental or emerging questions about humanity, the natural world, or God by seeking answers through different modes of inquiry.		●			
2	Reflect on the diverse perspectives, cultures, and historical experiences of people in the United States and the world.					●
3	Practice Hope College's Virtues of Public Discourse: humility to listen; hospitality to welcome; patience to understand; courage to challenge; honesty to speak the truth in love.	●				
4	Demonstrate an ability to communicate to a specific audience by employing multiple approaches, media, or languages.	●				
5	Analyze evidence or data to solve problems, reach informed conclusions, or make sound judgements.	●				
6	Understand key tenets of the historic Christian faith.				●	
7	Explain their own values, commitments, and convictions.				●	

# Curriculum Map: Accounting to Common Learning Outcomes 12/14/2022

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Critical Thinking: Enhanced ability to integrate (a) applied and theoretical experiences, and (b) a deep understanding of the content in economics and business, in analytical problem solving, and creative activities	●				●
2	Vocational Discernment: Enhanced ability to make decisions around how to live a life of service through awareness of oneself, the needs of the world, and how they intersect.				●	
3	Christian Worldview: Enhanced understanding of how a Christian worldview has been, and can be, applied in economics and business.		●		●	
4	Accounting/Finance Competencies: Ability to identify, understand and apply Accounting and Finance knowledge, concepts, and theories in financial accounting, managerial accounting, auditing, taxation, finance, investments, and data analytics for analysis and decision-making in a professional environment.				●	
5	Leadership and Service Competencies: Ability to lead and serve in a global society through curricular and cocurricular learning opportunities of experiential relevance within the field of Accounting and Finance.				●	●

<b>6</b>	Hope College students completing a degree in Political Science will have explored professional and career vocational opportunities in politics, government, civil society and industry				●

# Curriculum Map: Art History to Common Learning Outcomes 4/17/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Apply discipline-specific vocabulary and contexts in analyzing a work of art in oral and written form	●				●
2	Integrate primary and secondary sources into argumentative oral and written assignments	●	●			
3	Analyze the formal qualities of a work of art using traditional and current methods and theories		●	●		●
4	Produce an independent, research-driven example of scholarly writing on a work of art or issue relating to the visual arts	●		●		
5	Identify major artists, movements, and works of art from multiple eras throughout the Global history of art		●		●	●

# Curriculum Map: Art Studio to Common Learning Outcomes 4/18/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Practice open and curious exploration, self-reflection, and revision	●			●	
2	Apply the skills and techniques of various disciplines in studio art			●	●	
3	Demonstrate the ability to effectively communicate about art	●	●			●
4	Demonstrate professionalism in presenting one's work	●	●		●	●
5	Identify connections between form and content	●	●	●	●	●

# Curriculum Map: Biology B.A. to Common Learning Outcomes 5/1/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Students will demonstrate knowledge across broad biological topics	●		●		
2	Students will demonstrate knowledge about the cellular level of biological organization	●		●		
3	Students will demonstrate knowledge about the molecular and genetic levels of biological organization	●		●		
4	Students will demonstrate knowledge about the organismal level of biological organization	●		●		
5	Students will demonstrate knowledge about the ecological and evolutionary levels of biological organization	●		●		
6	Students will express confidence in their abilities to engage in scientific inquiry	●		●		
7	Students will convey readiness for the next steps in their career trajectories				●	

# Curriculum Map: Biology B.S. to Common Learning Outcomes 5/1/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Students will demonstrate knowledge across broad biological topics	●		●		
2	Students will demonstrate knowledge about the cellular level of biological organization	●		●		
3	Students will demonstrate knowledge about the molecular and genetic levels of biological organization	●		●		
4	Students will demonstrate knowledge about the organismal level of biological organization	●		●		
5	Students will demonstrate knowledge about the ecological and evolutionary levels of biological organization	●		●		
6	Students will express confidence in their abilities to engage in scientific inquiry	●		●		
7	Students will convey readiness for the next steps in their career trajectories				●	
8	Students will synthesize and communicate knowledge about the living world	●		●		
9	Students understand and make meaningful connections across disciplinary boundaries when responding to a current issue in the biological sciences	●	●	●	●	

# Curriculum Map: Business to Common Learning Outcomes 12/14/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Critical Thinking: Enhanced ability to integrate (a) applied and theoretical experiences, and (b) a deep understanding of the content in economics and business, in analytical, problem-solving, and creative activities.	●	●			
2	Vocational Discernment: Enhanced ability to make decisions around how to live a life of service through awareness of oneself, the needs of the world, and how they intersect.				●	
3	Christian Worldview: Enhanced understanding of how a Christian worldview has been, and can be, applied in economics and business.		●		●	
4	Business-focused Critical Thinking: Enhanced ability to integrate (a) applied and theoretical business experiences, and (b) a deep understanding of business content through analytical, problem-solving, and creative activities.	●				●
5	Engagement: Deep involvement in business classes and experiences as well as professional development and relationship building. Involvement = ability + motivation + opportunity.			●	●	

# Curriculum Map: Chemistry B.A. to Common Learning Outcomes 3/6/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Students will demonstrate knowledge in organic chemistry and at least two of analytical, biochemistry, inorganic, and physical.	●		●		
2	Students will show understanding in the theory and practice of laboratory techniques and major instrumentation, and use safe procedures in a chemistry laboratory.	●		●		
3	Students will demonstrate problem-solving skills, chemical information skills (including reading the literature), and computer/computational skills.	●	●	●		
4	Students will demonstrate an ability to conduct experiments, as well as to analyze and interpret data.	●		●		
5	Students will show proficiency in scientific communication including laboratory notebooks, laboratory reports, research proposals, journal articles, oral and poster presentations, and working in groups	●		●		
6	Students will demonstrate an understanding of professional and ethical responsibility, of the impact of chemistry in a global, social context, and of the importance of inclusive excellence in chemistry.		●		●	●
7	Students will demonstrate an understanding of the connections between chemistry and other science disciplines.		●		●	

8	Students will have a successful transition to their post-college activities.		●	●	●

# Curriculum Map: Chemistry B.S. to Common Learning Outcomes 1/30/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Students will demonstrate knowledge in all major fields of chemistry including analytical, biochemistry, inorganic, organic, and physical.	●		●		
2	Students will show understanding in the theory and practice of laboratory techniques and major instrumentation, and use safe procedures in a chemistry laboratory.	●		●		
3	Students will demonstrate problem-solving skills, chemical information skills (including reading the literature), and computer/computational skills.	●	●	●		
4	Students will demonstrate an ability to design and conduct experiments, as well as to analyze and interpret data.	●		●		
5	Students will show proficiency in scientific communication including laboratory notebooks, laboratory reports, research proposals, journal articles, oral and poster presentations, and working in groups	●		●		
6	Students will demonstrate an understanding of professional and ethical responsibility, of the impact of chemistry in a global, social context, and of the importance of inclusive excellence in chemistry.		●		●	●
7	Students will demonstrate an understanding of the connections between chemistry and other science disciplines.		●		●	

8	Students will have a successful transition to their post-college activities.		●	●	●

# Curriculum Map: Chinese Studies to Common Learning Outcomes 5/1/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
<b>1</b>	Language Proficiency (Oral) as described in the ACFL Proficiency Guidelines	●				
<b>2</b>	Intercultural Competency & Diversity as described by Heighten Intercultural Competency & Diversity Assessment					●
<b>3</b>	Students will demonstrate knowledge of the similarities and differences between Chinese and American (Christian) values	●		●	●	

# Curriculum Map: Classical Studies to Common Learning Outcomes 5/1/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Language Proficiency (Reading in Latin and Greek)	●				
2	Intercultural Competency & Diversity as described by ETS's HEIghten ICC&D Assessment					●
3	Understanding the cultural, linguistic, literary, and historical traditions of the Greek and Roman world	●	●	●		

# Curriculum Map: Communication to Common Learning Outcomes 12/14/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Will know and apply major theories and approaches used in Communication discipline.		●	●		●
2	Understand and use Communication research methods to engage in Communication inquiry.	●	●	●		
3	Will be prepared to communicate effectively in professional contexts.	●			●	●

# Curriculum Map: Computer Science to Common Learning Outcomes 2/27/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Effective communicators who are able to relate technical content to both technical and non-technical audiences	●	●		●	
2	Have a broad knowledge of the fundamental concepts of computing	●		●	●	
3	Good programmers	●		●	●	
4	Function as a successful member of a project-based team	●			●	●
5	B.S.-specific Outcome: understanding of the theoretical foundations of Computer Science	●		●	●	

# Curriculum Map: Dance to Common Learning Outcomes 1/17/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Students will communicate personal voice and artistic intent through the creation and presentation of ideas and works. (CrO)	●		●	●	
2	Students will demonstrate multifaceted physicality and artistry; perform and present with developing presence, maturity, and virtuosity. (PO)			●		●
3	Students will contribute as emerging artists and/or scholars to the ever-changing field of dance. (RO)	●	●	●	●	●
4	Students will synthesize theoretical and technical knowledge for expanded artistry, deepened inquiry, and vocational pursuits. (CoO)	●	●	●	●	●

# Curriculum Map: Economics to Common Learning Outcomes 12/14/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Critical Thinking: Enhanced ability to integrate (a) applied and theoretical experiences, and (b) a deep understanding of the content in economics and business, in analytical, problem-solving, and creative activities.	●				
2	Vocational Discernment: Enhanced ability to make decisions around how to live a life of service through awareness of oneself, the needs of the world, and how they intersect.				●	
3	Christian Worldview: Enhanced understanding of how a Christian worldview has been, and can be, applied in economics and business.		●		●	
4	Ability to use economic theory: The student will be able to use economic theory to analyze economic phenomena.	●			●	●
5	Ability to use quantitative analysis: The student will be able to use quantitative methodologies to test economic research questions.	●	●	●		

# Curriculum Map: Elementary Education to Common Learning Outcomes 12/20/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Hope College completers will be ethical educators.					
2	Hope College completers will be skilled communicators	●				
3	Hope College completers will be engaged professionals.		●	●	●	
4	Hope College completers will be curriculum developers.	●	●		●	●
5	Hope College completers will be effective instructors.	●	●		●	●
6	Hope College completers will be decision makers.	●			●	●
7	Hope College completers will be effective practitioners.	●		●	●	●

# Curriculum Map: Engineering to Common Learning Outcomes 2/14/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	An ability to identify, formulate, and solve complex engineering problems by applying principles of engineering, science, and mathematics	●	●			
2	An ability to apply engineering design to produce solutions that meet specified needs with consideration of public health, safety, and welfare, as well as global, cultural, social, environmental, and economic factors	●		●	●	●
3	An ability to communicate effectively with a wide range of audiences	●				
4	An ability to recognize ethical and professional responsibilities in engineering situations and make informed judgements, which must consider the impact of engineering solutions in global, economic, environmental, and societal contexts			●	●	●
5	An ability to function effectively on a team whose members together provide leadership, create a collaborative and inclusive environment, establish goals, plan tasks, and meet objectives					●
6	An ability to develop and conduct appropriate experimentation, analyze and interpret data, and use engineering judgement to draw conclusions	●				

7	An ability to acquire and apply new knowledge as needed, using appropriate learning strategies	●		●

# Curriculum Map: English Creative Writing to Common Learning Outcomes 3/6/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Students will collaborate effectively in reading and writing communities	●				
2	Students will write well in various forms, both creative and critical				●	●
3	Creative Writing majors will write successfully across the genres		●			

# Curriculum Map: English Literature to Common Learning Outcomes 3/6/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Students will collaborate effectively in reading and writing communities.	●				
2	Students will incorporate research effectively and innovatively				●	
3	Students will use tools of literary analysis and theory to interpret literature				●	
4	Students will read widely and interpret within a broad range of literature		●	●		●

# Curriculum Map: Environmental Science B.S. to Common Learning Outcomes 5/2/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Understand the skills and perspective an environmentally-focused science discipline brings to Environmental Science	●			●	
2	Demonstrate a broad interdisciplinary understanding of systems concepts in environmental science		●			
3	Know how environmental issues affect and are affected by politics and economics	●	●			
4	Know how concepts of sustainability inform environmental science	●			●	
5	Possess the knowledge, skills, and intellectual tools to address complex and multifaceted problems	●		●		
6	Work effectively in a team with scientists and other professionals from other disciplines	●	●		●	●

# Curriculum Map: Exercise Science to Common Learning Outcomes 12/14/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Describe, understand, and apply basic scientific knowledge, concepts and theories of nutrition, anatomy, physiology, biomechanics, metabolism and other supplementary topics as they relate to human movement and exercise.		●	●		
2	Along with content comprehension, successful students will demonstrate ability to read, understand, design, perform, disseminate and apply research as it relates to the field of human movement, health, and wellness.	●	●	●	●	
3	Perform individualized and/or group physical fitness/health assessments. Demonstrate the ability to select, perform and analyze various clinical tests and exams associated with determining current status or improvement of health and fitness in accordance with accepted guidelines.	●		●	●	
4	Develop exercise and fitness programs for healthy and special populations, providing modifications in response to health and performance goals.				●	●
5	Demonstrate the ability to effectively communicate (verbal, written, etc.) as a means to educate and manage the safe and proper instruction for fitness testing and/or exercise.	●			●	●

# Curriculum Map: French to Common Learning Outcomes 5/1/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
<b>1</b>	Language Proficiency (Oral) as described in the ACTFL Proficiency Guidelines	●				
<b>2</b>	Intercultural Competency & Diversity as described by ETS's HEIghten ICC&D Assessment					●
<b>3</b>	Understanding of the differences and similarities in francophone cultures and societies	●	●	●		

# Curriculum Map: Geology B.A. to Common Learning Outcomes 5/2/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Observe, record, and interpret geological features in the field.	●		●		
2	Understand the theoretical underpinnings and methods of data analysis, including quantitative analysis, that uniquely undergird specific subdisciplines within the geosciences.	●	●	●		
3	Read, understand, and write geological literature.	●				
4	Describe, classify, and interpret common geological materials and structures.	●				
5	Understanding plate tectonics as the unifying theory in geology.	●	●			
6	Appreciate how “deep time” informs an understanding of the origins of geological features and resources, and use geological features to reconstruct natural history.	●	●			
7	Understand the scientific process, posit scientific hypotheses, devise ways to test them by collecting scientific data, and analyze data in a meaningful way.		●	●		

# Curriculum Map: Geology B.S. to Common Learning Outcomes 5/2/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency

# Curriculum Map: Global Health to Common Learning Outcomes 4/17/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Understand the complex ways that various social determinants of health affect individual and population health worldwide.	●				●
2	Apply practical, interdisciplinary, and culturally appropriate skills in crafting solutions for individual and population health worldwide.		●	●		●
3	Analyze personal and social responsibility in caring for individual and population health around the world.	●	●		●	
4	Apply an interdisciplinary or interprofessional lens to global health experiences within the context of the historic Christian faith.		●	●	●	

# Curriculum Map: Global Studies to Common Learning Outcomes 4/14/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Exhibit conversational language fluency other than English			●		●
2	Develop research and content-acquisition skills reflective of a sophisticated producer and consumer of global affairs	●		●	●	
3	Show cultural proficiency on the ETSHEI		●			●
4	Evaluate the mutual implications of language learning, on-campus courses, and off-campus courses for global issues	●	●	●	●	●
5	Be career and graduate-school ready	●			●	

# Curriculum Map: History to Common Learning Outcomes 1/17/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
<b>1</b>	Each major can find, select, and interpret various types of historical evidence carefully and consider a variety of primary and secondary sources for credibility, position, perspective, and relevance.	●	●	●		
<b>2</b>	Each major will demonstrate the ability to articulate and sustain a clear argument with the appropriate use of primary and secondary sources.	●	●	●		
<b>3</b>	Each major will understand and practice the academic and intellectual honesty needed to develop scholarly historical writing.	●			●	
<b>4</b>	Each major can see the relationship between historical thinking and the qualities of good citizenship, including using historical analysis to understand current-day issues and see multiple perspectives.		●		●	●

# Curriculum Map: Japanese Studies to Common Learning Outcomes 5/1/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Language Proficiency (Oral) as described in the ACTFL Proficiency Guidelines	●				
2	Intercultural Competency & Diversity as described by ETS's HEIghten ICC&D Assessment					●
3	Students are able to investigate, explain, and reflect on the cultural differences using the Japanese language, as described in World-Readiness Standards for Learning Languages.	●	●	●		

# Curriculum Map: Mathematics B.A. to Common Learning Outcomes 4/25/2023

Program Learning Outcomes Knowledge, skill, or behavior students can demonstrate by program completion		Common Learning Outcomes Knowledge, skill, or behavior students can demonstrate by degree completion				
		Common Learning Outcome 1 Think critically and communicate clearly	Common Learning Outcome 2 Approach knowledge with a liberal arts foundation	Common Learning Outcome 3 Engage in intensive study	Common Learning Outcome 4 Integrate knowledge, experience, and purpose	Common Learning Outcome 5 Demonstrate cultural awareness and competency
1	Proficiency in Algebra			●		
2	Proficiency in Analysis			●		
3	Proficiency in Mathematical Modeling	●	●	●	●	
4	Mathematical Writing	●	●		●	
5	Problem Solving and Critical Thinking	●	●		●
